Gary,

I hope you found the answer elsewhere because I know less than Hanh about these facilities.

Do you have an electronic version of the appeal that you could share?

Cook Inlet NPDES General Permit 401 Cert Appeal Subject:

Cindi-

Trustees for Alaska has filed an appeal on ADEC's 401 Cert of the Cook Inlet Oil and Gas NPDES General Permit. I need to determine current contact information for the potentially affected permittees. Here is the list I had from the prior appeal of this permit.

If possible, please confirm that this contact information is current...... I seem to remember that XTO was bought out by ExxonMobil....
